

UK Companies Operating a Matching Gift Scheme

Can your company match donations? The following companies in the United Kingdom are those that we understand currently match gifts donated by their employees. However, this list is not definitive!

If your employer is not listed, please contact your Human Resources department to find out if they do. To make a matching gift, they should be able to give you a form to fill in confirming the gift you have made. You then send that form to us so we can confirm receipt of the gift. That's all there is to it!

Please note that this is not a complete list and also that some of the listed companies may no longer be operating a funds matching scheme, it is important that you check with your companies HR department to find out if they do.
